

Anna Ministry Uganda 2007 Report

Kampala, Africa, September 2007**

In September 2007, I traveled to Uganda with Fresh Fire Ministries (Todd Bentley's group). We ministered in a crusade in Mbarara for 4 days and then we went to the capital city of Kampala where we had an opportunity to love on the children in the Uganda Jesus Village. We also held Holy Ghost meetings at the church called Streams of Life.

God moved mightily. Thousands of people came to Christ. Thousands of people were healed. Hundreds of people were delivered.

We ministered in the park, we ministered in the streets, we ministered in the market place, we ministered in the hospitals, we ministered in the prisons and everywhere God showed up in power.

Crusade grounds during an afternoon meeting – this is only about 1/3 of the crowd

The crusade in Mbarara was held in a park of about 5 acres. On the third night of the crusade the park was filled to overflowing. They had brought their dying, their paralyzed, those suffering from AIDS. As God began moving in healing, people began throwing the mattresses, the mats, the canes, the crutches they had used to get to the meeting up onto the stage – they didn't need them anymore! One woman testified she had been paralyzed for 10 ten years. Jesus touched her and she was able to walk across the stage for all to see. Glory!

Yetiva, my prayer partner and I moved to the back of the crowd to minister to those who couldn't make it to the front. A young girl had brought her deaf and mute brother to the meeting all by herself. She asked us to pray for him. Lead by the Holy Spirit, I laid hands on him and commanded the deaf and mute spirit to leave him. There was an immediate look of shock on his face, his eyes opened wide and he began to turn his head side to side, looking around – he had never heard before! Then we prayed for his speech and he was able to say “ma-ma” and “da-da”! Glory to God in the highest!

For Christ's Glory!
